Every once in a while an opportunity presents itself that is just too rare and too exciting to pass up. This is one of those moments. Very few ready-to-restore antique Capes in highly desirable locations appear on the market. This one last conveyed in 1995 and is now available for a keen-eyed Buyer. Structured as a two-family home, there are three bedrooms, two baths, beautiful wide pine flooring, a mix of old and replacement windows and doors, this home could easily be reimagined as a spacious single family home or two condominiums. There is a huge bonus space with skylights in a vaulted ceiling. Previously used as an artist's studio, think of it as your blank canvas - with two exterior doors. Come explore this opportunity; you may be the next lucky resident in this delightful storybook style lane.
